

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

M E M O R A N D U M

Honorable Morrison C. England, Jr.
United States District Judge
Sacramento, California

RE: Ararat AMBARTSOUMIAN
Docket Number: 2:03CR00546-02
RECOMMENDATION FOR WAIVER
OF BUREAU OF PRISONS RESIDENTIAL
REENTRY CENTER SUBSISTENCE FEES

Your Honor:

The purpose of this memorandum is to respectfully recommend that the Court make a judicial recommendation to the Bureau of Prisons that the Residential Re-entry Center (RRC) subsistence fees be waived in this matter.

On April 21, 2008, as a sanction for violation conduct, including the submission of falsified documentation concerning his restitution payments, the Court ordered the probationer reside in and participate in a RRC program for a period of 180 days, as directed by the probation officer. However, at that time, the supervising probation officer in the Central District of California inadvertently failed to request that the subsistence fees be waived, as the probationer is currently unemployed and owes \$468,000 in restitution. The probationer is currently seeking employment, but at this time, he is unable to pay this subsistence fee.

Should Your Honor concur with this recommendation, please note your response in the space provided below. Should you have any questions or require additional information, please contact the undersigned officer at (916) 786-2947.

Respectfully submitted,

/s/ Richard A. Ertola
